CURBSIDE RECYCLING IN MAYFIELD HEIGHTS

The City of Mayfield Heights offers curbside recycling for city residents every other week. Combine paper, cardboard, cans, cartons, glass and plastics in the provided wheeled cart.

Combine these items in your curbside recycling:

- **CANS:** Includes all metal food and beverage cans such as pop, beer, soup, vegetable, and tuna. Cans should be emptied, rinsed, and then recycled.
- **CARTONS:** Includes milk, juice, soup and broth plus wine cartons. Cartons should be emptied and rinsed. Replace the cap and place in your curbside recycling.
- **GLASS:** Includes glass food and beverage bottles and jars. Empty, rinse and replace the lid before recycling. You do not need to remove the label.
- **PAPER & BOXES:** All paper and boxes can be recycled, including newspapers, magazines, junk mail, boxes, greeting cards, cereal boxes, cardboard, phone books and clean pizza boxes. Flatten cardboard items, like cereal boxes, to save space.
- **PLASTIC BOTTLES:** Any plastic bottle, jar, jug or tub can be placed in your curbside recycling. Recycle plastic food and beverage bottles, cosmetics and personal products, and laundry detergent and bleach bottles. Containers should be emptied and rinsed. Replace the cap and put in your curbside recycling.

Not all plastics with the 1-7 symbol are recyclable. See the chart below.

WHAT ABOUT PLASTIC?	INCLUDE IN YOUR CURBSIDE RECYCLING?	
	YES	NO

For more details about recycling, visit the Cuyahoga County Solid Waste District at www.cuyahogarecycles.org or www.cuyahogarecycles.org/mayfield_heights

The Solid Waste District also offers [Recycling FAQs](#) for Cuyahoga County and information on [how to recycle properly](#). Recycle more, recycle better in Mayfield Heights.

OTHER RECYCLING

Fluorescent Bulbs

Residents can recycle compact fluorescent bulbs aka CFLs (small, twisty bulbs) for free at any Home Depot or Lowe's store.

Other types of bulbs, including fluorescent tubes, can be recycled at any Batteries+Bulbs retail location. A small fee may apply. See http://www.cuyahogarecycles.org/fluorescent_bulbs

Batteries

Recycle rechargeable batteries for free at retail locations throughout Cuyahoga County. See a list of locations at www.call2recycle.org/locator/ See also www.cuyahogarecycles.org/batteries

Scrap Tires

When you buy new tires, dispose of your old tires through your tire retailer at the time of purchase. There is a small fee charged for tire disposal, which is a tax used for transporting and disposing of tires through state licensed facilities. See details at <http://www.cuyahogarecycles.org/tires>

PROPER DISPOSAL OF LATEX PAINT

Latex and any other water-based paint are not hazardous materials. Latex paint should be dried out and disposed of in the regular rubbish. Step-by-step instructions on how to dry out latex paint is available at www.cuyahogarecycles.org/latex_paint
